

2022 Foothills Parkway Closure – Drive Update

Starting in spring 2022, the Foothills Parkway will be closed in 2 phases for repaving and other upgrades. During MOTD 2022, the southern half of the Parkway will be closed.

We have a detour to follow that will let us take a similar path, but it adds a few new turns to drives that rely on the Parkway. It begins a few hundred feet east of the southern entrance to the parkway near the western end of the Dragon. It will take you past the first phase of road closures (about 9 miles) and will let you enjoy the northern 9 miles of the Parkway.

Miles	Map	Directions
22.4 Miles on trip meter (distance from Fontana) 8.2 to next turn		Turn RIGHT onto Happy Valley Rd.
0.6 miles		#1 HARD RIGHT onto Flats Rd.
0.2 mile		#2 LEFT onto Butterfly Gap Rd (Follow sign to Foothills Pkwy under Yield sign)
0.1 mile		#3 LEFT onto Campground Rd.
9.2 miles		#4 RIGHT onto Foothills Pkwy
40.7 Miles on trip meter at the northern end of the Parkway (1.6 extra mile added due to Foothills Pkwy Closure)
